## A MESSAGE OF GRATITUDE TO OUR MEMBERS AND EMPLOYERS

This is a very challenging time for all of us as we navigate our way through this unprecedented global health crisis.

We recognise that it may be especially hard for you, our members and employers, on the frontlines of our provincial healthcare system. Your work is essential and impacts the lives of so many patients and their families. We are truly grateful for all you're doing right now because we know, like many of us, you have loved ones at home too.

At SHEPP, we continue to bring in measures that help protect the health and well-being of our employees, members and the community. At the same time, we remain committed to serving you during these uncertain times. We have closed our office to the public, yet continue to operate, with many of our employees working remotely from home. Our member services team is available to assist members with pension-related needs by phone or email. You can call 306.751.8300 in Regina or 1.866.394.4440 toll-free, Monday to Friday between 8:15 am and 4:30 pm. Or, you can email us at [sheppinfo@shepp.ca](mailto:sheppinfo@shepp.ca).

As we make our way through this, we will continue to monitor and adapt to the situation. For now, we ask that you take care, stay safe, and be kind as we all do our part to get through this together.
